Norfolk Wildlife Trust offers truly memorable guided boat trips on our 12 seater boats, Swallowtail and Damselfly and our historic Norfolk reedlighter Little Tern.

Discover wildlife-rich broads, marshes, reedbeds and wet woodlands which are home to swallowtail butterflies, common terns, wintering wildfowl, otters, water voles, and rare plants. We hope you enjoy the rich and beautiful wildlife of Norfolk and unlock some of its treasures first hand. If you care about these special places, consider becoming a member and help us ensure their protection for the future.
