

Your Legacy Counts!

Angela Bedford

(member of NWT) says:

"I am leaving a legacy to Norfolk Wildlife Trust so that future generations can enjoy the Norfolk that I know and love"

Here are some examples of how your gift makes a difference:

- £100** buys specialised education equipment for children to use
- £500** buys tools and equipment for volunteers to coppice woodland
- £1,000** funds vital survey work essential to conservation planning
- £10,000** restores a wildlife meadow to its former glory
- £50,000** helps us to acquire an important wildlife site and save it from development, forever

"The future is much too important to be left to chance. That is why making a will is one of the most important jobs that any of us has to do.

I am sure that, like me, you are concerned about the future of our planet. You too share a belief that it is important we leave a thriving natural world for future generations to know and enjoy.

Your support for Norfolk Wildlife Trust will help ensure that our children and grandchildren can enjoy the wonders of nature."

Sir David Attenborough

Vice President of The Wildlife Trusts

Don't leave Norfolk's future to chance!

The future of Norfolk's wildlife is far too important to be left to chance, which is why making a gift in your Will is so important for the conservation of wildlife in Norfolk

A gift of a legacy in your Will helps us to continue our vital work

Every gift will directly help wildlife

Legacy gifts to Norfolk Wildlife Trust are used to conserve wildlife and wild spaces in Norfolk.

Gifts are used to create new nature reserves, to buy land adjacent to existing sites and to take direct action; safeguarding threatened species and habitats. In recent years we have been left a number of gifts that have helped us to buy important areas of land including Lower Wood, Ashwellthorpe and Salthouse Marshes on the North Norfolk coast.

Legacy gifts also help us to develop our education programme, and improve visitor access at our nature reserves.

Please leave a gift in your Will and make a difference

A gift in your Will is one of the most effective ways you can help to ensure a future for Norfolk's wonderful wildlife.

Please help us by taking the next step...

- Please send me FREE information about leaving a gift in my Will
- I am considering leaving a gift in my Will to Norfolk Wildlife Trust and I would like someone to contact me to discuss this further
- I have already remembered Norfolk Wildlife Trust in my Will
- I would like to support Norfolk Wildlife Trust today with a donation of £
