Common name	Scientific name	DAFOR Please tick relevant box					Comments / GPS or Grid Reference location
		D	A	F	O	R	
Cow Parsley			x				
Cleavers			x				
Bramble sp					x		
Common Nettle			x				
Hawthorn						x	
Greater Periwinkle						x	
Alder					x		
Oak					x		
False oat grass							
Barren Brome grass					x		
Red campion					x		
Rough meadow grass				x			
Common reed					x		
White dead nettle					x		
Pendulous sedge					x		
White clover					x		
Comfrey sp						x	
Broad leaved dock					x		
Willow herb sp					x		

Hogweed				x			
Elderberry						x	
Horse chestnut						x	
Ground Ivy					x		
Ground Elder						x	
Ivy sp					x		
Watercress						x	
Water mint						x	
Yellow Iris						x	
Hedge garlic					x		
Pond sedge				x			
Marsh marigold						x	Southernmost part of river
Willow sp			x				
Cock's foot				x			
Dead nettle					x		
Dock sp					x		
Common comfrey					x		
Elder					x		
Thistle sp					x		
Herb Robert						x	
Meadow sweet					x		
Yellow flag Iris					x		
Hedge woundwort						x	
Common meadow rue						x	
Orange balsam						x	
Angelica					x		
Fools watercress (river)					x		
Horse chestnut						x	
Lesser pond sedge							
Guelder rose						x	
Oak penduncular					x		
Gdn Privet						x	
Bird cherry						x	
Bittersweet						x	

Great willow herb (river)					x		
Purple loosestrife					x		
Gypsy wort						x	
Reed sweet grass					x		G1 pond area
Bull rush					x		G1 pond area
Crack willow						x	G1 pond area
Water soldier (abundant locally)			x				G1 pond area
Pond sedge (greater, branched burweed)			x				G1 pond area
Water chickweed						x	
Water plantain						x	
Vetch tufted						x	
Water figwort						x	
Redshank						x	
Hedge bindweed				x			
Marsh woundwort						x	
Hemp agrimony					x		
Standing dead wood					x		
Creeping buttercup					x		
Amphibious bistort						x	(locally frequent by river)
Wood aven						x	
Common reed				x			
Self-heal					x		
Water pepper					x		
Wood dock						x	
Ash					x		
Taraxacum					x		
Gtr plantain					x		
Wych elm						x	
Remote sedge					x		
Bulrush					x		
Grey willow					x		
Pin water speedwell						x	

Common hemp nettle						X	
Reed (common) borders far side as we walk southerly
