### Premium High Energy Mix

Our best-selling mix is packed full of high energy and essential oils that your garden birds won't be able to resist! High energy sunflower hearts and chopped peanuts make up the bulk of this year-round favourite.

**Contains:** sunflower hearts, chopped peanuts, red millet, white millet, canary seed, kibbled maize, pinhead oats and oilseed rape.

### Super Suet Fat Balls

With 50% more fat, Super Suet Fat Balls are extremely popular. Tried and tested in the Vine House Farm garden, birds love the mix of suet with dried mealworms, peanut and wheat flour. Super Suet Fat Balls are net-less so it is best to feed from traditional fat ball feeders.

## Pearl Robin Feeder

This little hanging feeder is ideal for feeding seeds or mealworms. The dome can be raised or lowered - the lower the dome is, the more difficult it is for larger birds to feed.

## Suet Pellets

Semi-moist Suet Pellets are one of our most popular products, they are easy to feed and birds find them irresistible, and a great alternative to feeding peanuts. Available in three tempting flavours, this high energy food is perfect for fledglings and adult birds.
