

Workshops for a wilder community

These sessions have been specially designed to support individuals, communities and groups acting for nature in their local area. Workshops are subsidised by donations made to Norfolk Wildlife Trust.

Booking essential – through Eventbrite at www.norfolkwildlifetrust.org.uk/whats-on or phone 01603 625540 (please note a small booking fee applies to charged events).

Group Mechanics...

How to lead a practical conservation task

Saturday 14 May

10am – 4pm

During this one day workshop The Conservation Volunteers will guide us through how to run a practical conservation session; looking at how to organise activities, run sessions safely and create a welcoming environment open to all.

Fleggburgh

£15/person. Booking essential

How to start a 'Friends of Group'

Saturday 11 June

1.30pm – 4.30pm

Are you interested in setting up a 'Friends of Group' or maybe you have already done it, but would like to meet like-minded people on the same journey? The Conservation Volunteers will talk us through how to set up a group, create a constitution, open a bank account, set up a committee and then run us through the first typical year – recruiting volunteers, promoting the group and organising your first AGM.

Norwich

£7 per person. Booking essential

How to grab a grant – Introduction to applying for small community grants

Wednesday 5 October

7pm – 8.30pm

Do you have a great idea for a wildlife project but haven't got the funds to move it forward? Jane Warren, NWT Grants Officer, will guide you through some of the opportunities out there to help you raise funds for a community project.

Poringland

Free. Booking essential

Getting to grips with social media

Tuesday 8 November

7pm – 8.30pm

Facebook, Instagram, Twitter, TikTok... with so many social media platforms where do you start? This workshop will guide you through the best way to promote your group or wildlife project through a variety of different platforms.

Webinar

Free. Booking essential

Skill sharing day...

Scything in action

Saturday 17 September

10am – 3pm

Drop into Eaton Park and see scything in action as we cut their wildflower meadow. Meet the experts, have a chat and see how this traditional skill is making a comeback, helping communities to manage their meadows.

Eaton Park, Norwich, NR4 7AZ

Do you have a scythe? Would you like to help us on the day for an hour or two to cut the meadow? Or if you're new to it why not improve your scything by working alongside experts? Get in touch and register your interest, by phone 01603 598333, or email wild@norfolkwildlifetrust.org.uk

Habitat Focus...

A step-by-step approach to creating a meadow in your local patch

Thursday 28 April

10am – 1pm

This workshop will give an overview of how to create a wildflower meadow either from scratch or by managing an existing green space with wildflowers in mind. Learn how to improve your chances of success and how to look after your meadow.

Saxlingham Nethergate

£7 per person. Booking essential

Creating community meadows

Thursday 9 June

10am – 1pm

Helen Baczkowska (NWT Conservation Officer) and Eilish Rothney (NWT Trinity Broads Warden) will take us on a tour of three very different meadows, looking at how they were made, how they are managed and how you can source local seed for your very own meadow.

Filby

£7 per person. Booking essential

Managing, restoring and creating parish and community ponds

Wednesday 21 September

10am – 1pm

Ponds are small habitats rich in wildlife, from plants to insects, birds to amphibians. Come along and find out how best to care for ponds in your local patch.

Brisley

£7 per person. Booking essential

How to create a woodland from scratch

Saturday 24 September

10am – 1pm

Iestyn Griffiths, Arboriculture and Woodland Officer for Norfolk County Council, will guide us through how to plan, plant and manage a woodland with wildlife in mind.

Gressenhall – Environment Hub

£7 per person. Booking essential

An introduction to managing reed and sedge beds

Monday 5 December

10am – 12pm

Norfolk is famous for its reed and sedge beds, but what do you need to consider when managing them? John Blackburn, NWT Reserves Manager, will talk us through some of the key factors to consider when managing these habitats for wildlife.

NWT Hickling Broad and Marshes

£7 per person. Booking essential

Practical tool use...

Scythe maintenance and use refresher workshop

Saturday 7 May

10am – 3pm

Do you have a scythe, but are not sure how to maintain it? This workshop will show you how to sharpen the blade and how to peen it, as well as refreshing your memory on how to set it up and use it to give the most effective cut.

Hickling

£30 per person (inc. 50% subsidy)

Booking essential

Safe hand tool use

Saturday 25 June

10am – 12pm

The Conservation Volunteers will guide us through using hand tools with a practical conservation task group. This will look at how to keep your group safe, how to explain their use and how to use them correctly.

Neatishead

£7 per person. Booking essential

Introduction to practical scything

Saturday 9 July

10am – 4pm

Scythes are a fantastic tool for managing small meadows. This workshop will teach you how to set up, use and maintain a scythe, as well as covering some of the basics of meadow management.

Gressenhall - Environment Hub

£40 per person (inc. 50% subsidy)

Booking essential

Species focus...

Introduction to recording wildflowers on your patch

Friday 24 June

10am – 1pm

Plants are fascinating and when you take the time to really look at an area you will be amazed at how many different wildflowers can be found. This introductory session will show you how to start recording wildflowers, how to get to grips with plant families and how to identify at least 20 common wildflowers.

Norwich

£7 per person. Booking essential

Making room for swifts in your neighbourhood

Wednesday 6 July

6.30pm – 8pm

Would summer be the same without swift 'screaming parties' as they fly overhead? Surely this is something that would be truly missed if we lost these amazing birds that are now listed as a red data book species. On this interactive walk Caroline Spinks, Norwich Swift Network, will give us an insight into these birds and talk about how she is helping to look after swifts in the city. Come and learn how to 'talk' swift!

Norwich

Free. Booking essential

Encouraging bees and butterflies into your local green space

Thursday 12 May

10am – 12pm

Discover the best ways to encourage bees and other pollinators into your local green space, from nettle patches to pollinator strips, an herbaceous border to wildflower meadow, bee home to minibeast hotel.

Norwich

£7 per person. Booking essential

Community focus...

Managing a heath in the heart of a community

Tuesday 7 June

6.30pm – 8pm

Litcham Common is a County Wildlife Site and Local Nature Reserve, grazed by ponies and cattle. This walk will look at what makes the heath so special and how Litcham Common Conservation Group manages the site with wildlife in mind.

Litcham Common

Free. Booking essential

The making of an urban oasis

Saturday 6 August

10am – 12pm

Join the Gaywood Valley Conservation Group on a tour of the site they help to manage at Lynn Sport.

King's Lynn

Free. Booking essential

Sowing the seed...

Friday 9 September

10am – 11.30am

Take a tour of Salhouse Community Tree Nursery and discover how James Cleaver set up this venture, to increase the trees in his local community.

Salhouse
