

Discover the wildlife of the Broads on a Norfolk Wildlife Trust guided wildlife water trail.

Take a truly memorable trip aboard our 12-seater boats, Swallowtail and Damselfly, or Little Tern, our historic Norfolk reedlighter.

Explore wildlife-rich marshes, reedbed, and wet woodlands, home to swallowtail butterflies, common terns, wintering wildfowl, otters, water voles, rare plants, and more.

Exclusive guided boat trips for larger groups

Bespoke trips are available for groups with an interest in wildlife, birdwatching, photography, simply being on the water, or to celebrate a special occasion. We can also provide a delicious picnic hamper on request. For further information, please contact NWT Hickling Broad visitor centre on **01692 598276** or email hickling@norfolkwildlifetrust.org.uk.
